

It was my first time.
Why did I get pregnant?

I can stay in school and
do all my activities, *right?*

Does he *really*
want to marry me?

Nothing will change *before*
the baby comes, will it?

FAQ

Pregnant?

Everything changes with a positive pregnancy test. Friends may look at you differently. Your family may be angry or just sad. People all want to give you their 2 cents & talk about the big "R"...

...Responsibility.

You don't have to do this alone.

If you need a place to live while you think this through, the Kindred Spirit Residential Home might be the right place for you. If you are willing to work hard, take care of yourself, and be part of a family environment where there are other teens like you, call us:
